Abstract:

Psychology is the scientific study of the mind and behavior. Psychologists are actively involved in studying and understanding mental processes, brain functions, and behavior. This kind of psychology has been discussed in the novel by Muhammad Raz's Pashto Novel (**ASHU LMAR AO BARAN AURI**). I analyze some characters of this novel in my article. Hope my reader understands the basic and background of the novel.

Keywords: Novel, Ashu Lmar Ao Baran Auri, Muhammad Raz.
